Hi Gary,

I'm meeting with Janine this coming Monday afternoon to discuss data and GIS for the sites. I'll update you after the meeting.

Have a good weekend!

Thanks,

Sean G.

I flexviewer is up on the [osc.net](#) website but I did not notice that the historic laboratory data is loaded on the flexviewer. Can you let me know when that will happen so we can start analyzing what we need to do and where.

Thanks
